Maintenance Tutoring, 5 sessions: \$200 (\$40/hour)

This is for students who want to review concepts, as well as prepare for quizzes and tests on a daily basis. The student will typically have a general understanding of the current concepts, but require some additional review.*

Intensive Tutoring, 10 sessions: \$350 (\$35/hour)

This is for students who have fallen behind in their courses and need to review past concepts, as well as continue learning new ones.*

Super-Intensive Tutoring, 20 sessions: \$500 (\$30/hour)

This is for students who are extremely behind in their courses, close to failing, or already failing classes. It involves intense review of past concepts, preparing for upcoming quizzes and tests, and laying out a plan for successful course completion.*

Special Needs Tutoring, \$40/hour

I am highly-qualified in teaching special-needs children. Please contact me for more details.

Discount rates are available for financially-challenged circumstances. Please contact me for details.

** Note: Though the individual tutoring services are primarily designed for students at specific levels, each one is flexible and beneficial for students of all levels.*

- I agree that all information provided above is accurate
- I agree to pay all tutoring fees based the fee structure above
